

TWO CARS GO THRU BRIDGE; TWO DEAD

More Than Thirty in Cleveland Hospitals as Result of Tragedy

CARS FALL THIRTY FEET

One Car Breaks Away from Motorman, Jumps Track and Crashes Into Other Car

SOME ARE HURT FATALLY

CLEVELAND, O., Oct. 3.—Two persons were killed and more than thirty are in hospitals as the toll of a bridge tragedy here early this evening when two street cars collided on the West Third Street bridge, causing it to collapse and precipitate the cars thirty feet to the Baltimore and Ohio railroad tracks below, where they almost rolled into the Cuyahoga river.

The dead are: Mrs. Clara Dille, a passenger, and Otto Borchert, motorman.

There were forty persons on one car and twenty on the other. How so many escaped unhurt is almost miraculous. It was at first believed that the death list would reach fifty, but later it was found that while dozens were hurt only a few had been killed.

The accident occurred when a southbound car, carrying a crowd of women shoppers home at the rush hour, broke away from the motorman on a hill approaching the bridge and tore down upon the north approach to the bridge just as a northbound car reached the same point. The runaway car jumped the track and struck the northbound car. The combined weight of the two cars and the shock of the collision was too much for the wooden bridge which sagged and then gave away.

Edna Weddington, a telephone operator employed by the Erie railroad saw the accident from where she sat at her switchboard and turned in a call for ambulances, doctors and the fire department.

Hundreds within earshot of the accident heard the shrieks and cries of pain and terror as the cars carried their burden, for the most part women, to death or injury.

The work of rescue began at once. Those who had not been seriously injured extricated themselves and then gave aid to those less fortunate. It was not long until thirty had been taken out and carried to hospitals. Some are probably fatally injured and the death list will undoubtedly be swelled from this source.

The portion of the bridge which fell is just north of the river. It is twenty five years old.

Mayor Harry L. Davis and Public Utilities Director Thomas S. Farrell rushed to the scene and promised to conduct a strict inquiry in an effort to place the responsibility for the disaster.

Motorman H. T. Daniel of the southbound runaway car escaped serious injury but his conductor is among the dead. Daniel says the brakes of his car failed to work and it dashed down the hill, out upon the bridge, jumped the track and crashed into the other car with him helpless to stop its progress.

"I felt the bridge tremble when the cars came together and both cars fell with the bridge," said Daniel.

The southbound car was smashed flat by the force of the crash. How any one escaped from it alive is almost beyond comprehension. There is no part of its framework left intact. The northbound car was badly damaged.

A delivery wagon and horse, manned by a driver, which was on the collapsed portion of the bridge also went down with the structure. The fate of the driver could not be learned.

Delay in searching the wreckage was occasioned by the fear that removal of the debris might cause the remainder of the bridge, which is greatly weakened, to fall. The entire bridge is 300 feet long.

EXPECT THOUSAND TO ATTEND ILLINOIS BANKERS CONVENTION

DANVILLE, Ill., Oct. 3.—All attendance records were broken when 599 bankers registered for the first day of the Illinois State Bankers' Association convention. Five hundred more are expected to arrive by tomorrow noon. The business sessions will commence tomorrow.

At a banquet tendered the visitors tonight by local bankers, short talks were made by John Temple Graves, George T. Buckingham and others.

Miss Irene Crum has returned to Springfield after a short visit with old school friends at Illinois Woman's college.

LAUNCH CAMPAIGN FOR \$5,000,000 FOR RELIEF

AMERICAN COMMITTEE TO AID ARMENIANS AND SYRIANS

Exhaustive Summary of Whole Situation will be Sent to Minister of 120,000 Churches All over the Country—Cannot Reach Some Armenians.

Washington, Oct. 3.—The greatest American relief campaign to be undertaken since the organization of the Belgian Relief Commission was launched today by the American committee for Armenian and Syrian relief. An exhaustive summary of the whole Armenian and Syrian situation was made public and will be sent to ministers of 120,000 churches all over the country and to many leading citizens and relief organizations. A fund of \$5,000,000 is called for to relieve 1,000,000 destitute, exiled and starving Armenians and Syrians scattered broadcast over Turkey, Persia, Syria, and Palestine. The appeal declares that of nearly 2,000 Armenians originally in their native country, three quarters of a million have been massacred or have died of wounds, disease or exhaustion since the war began.

The state department thru urgent negotiations recently secured Turkey's consent to extension of American relief provided it is distributed jointly by the American Red Cross and Turkish Red Cross. Today it was announced that the allied blockade had been lifted to allow passage of the supplies. October 21 and 22 have been set aside by proclamation by President Wilson as relief days and the appeal being sent broadcast by the committee calls for sermons in every pulpit in the country and articles in every newspaper.

Some of the Armenians cannot be reached at present since Turkey's consent has not been secured as yet to Armenia proper. Thousands will be found in Persia, however, and in the sections recently conquered by the Russians as well as Syria. In this latter section, the appeal declares, the situation is terrible.

KILL MAN WHO RESISTS ARREST ON CHARGE OF DECOYING GIRL

LOUISVILLE, Ky., Oct. 3.—Roy Dickson, 27, said to have been a resident of Danville, Ill., and variously described as a traveling photographer and a salesman for a picture house, was shot and killed here today after he had resisted arrest on the charge of decoying Catherine Lethig, 12, from her home in the suburbs of Louisville.

Rural telephones today located the man and child trudging along a country road in the direction of Frankfort. Sheriff J. L. Smith of Shelby county and an assistant started in pursuit and overtook them near the village of Bagdad. The sheriff fired when Dickson refused to surrender and attempted to use a shotgun.

Vigorous search for the child had been prosecuted since yesterday. Her statements indicated that she had been mistreated.

DANIELS SPEAKS IN QUINCY IN FAVOR OF WILSON'S CANDIDACY

QUINCY, Ill., Oct. 3.—Joseph Daniels, secretary of the Navy speaking here tonight in favor of President Wilson's candidacy, said that the Republicans had tried out half a dozen issues in the campaign and had abandoned all of them. He asserted that while the Republicans were forced to admit that Wilson has kept the country from war and that prosperity is present in every section yet it is their cry that after the war unless Mr. Hughes is elected business prostration will be the order of the day.

"I would be ashamed to be an American if I believed that when the war is over, Europe after all her losses could so quickly reestablish herself as to win out against the superior skill and industry of American citizens," said Mr. Daniels. "Such a charge is an insult to the American people."

STATE BANK RESOURCES INCREASE.

Springfield, Ill., Oct. 3.—The resources of state banks on September 13 were \$9,341,110 greater than on July 1, State Auditor Brady announced today. The total resources of the 789 state banks were \$1,104,042,350 on September 13, when their statements were called for.

AUTO BANDITS HOLD UP SALOONS.

Chicago, Oct. 3.—Two crews of automobile bandits, operating in different sections of the city, early today held up five saloons and a number of restaurants, escaping with small sums in cash.

JAPANESE PREMIER RESIGNS.

Tokyo, Oct. 4.—Count Okuma, the prime minister of Japan, resigned today owing to his advanced age.

The members of the cabinet also tendered their resignations to the emperor.

WILL SEEK TO COLLECT \$225,000 IN COURT

IOWA STATE SENATOR CHARGES MEN SOUGHT TO HOLD HIM FOR MURDER

Alleges Nine Were Influenced to Believe from an Idle Remark of an Irresponsible Fortune Teller that He was Responsible for Villisca Axe Murders.

Villisca, Ia., Oct. 3.—State Senator F. F. Jones today served notice on nine persons, eight of them friends and neighbors for a quarter of a century, that he would seek to collect \$225,000 from each because they were influenced to believe, so he says from an idle remark of an irresponsible fortune teller, that he was guilty of murder.

The suits for a total of a quarter of a million dollars will allege that the nine persons, all but one of them old residents of this county, sought to hold Jones responsible for the eight Villisca axe murders of June 9, 1912, in the home of J. B. Moore, Jones' business competitor.

"Some clairvoyant had made the silly statement that Moore's murderer would witness the funeral from his home while reading a paper," Jones said tonight. "By accident, I was on my front porch reading a paper when Joe Moore's funeral procession passed. Reports that I was responsible for the murder followed and the fact that I was Joe Moore's business rival lent color to the story in the opinion of the lynx-eyed detectives and the busy-bodies."

Senator Jones charged that John Wilkerson, a Kansas City private detective; W. H. Willett, farmer; Ross R. Moore, village druggist; W. J. Ewing, Presbyterian pastor and W. W. Arnold, J. L. Gourley, Ed Northrup, A. D. Silverthorpe and L. P. Benton conspired to impute to him the moving spirit and financing of the murders. All are prominent and many were intimates of Jones who has been a citizen here for twenty five years.

WILL SEND STATE TROOPS NOW IN MOBILIZATION CAMPS TO BORDER

WASHINGTON, Oct. 3.—Secretary of War Baker in announcing today that the First Kansas infantry and several eastern national guard organizations will be mustered out as soon as the Michigan contingent which has been ordered south reaches the border said all national guard troops now in mobilization camps would be sent to the border "in the immediate future" and in each instance organizations on the border would be returned to their home stations upon the arrival of new units.

The troops which have not yet seen border service and which now will be sent south, are units in Alabama, Georgia, Florida, North Carolina, South Carolina, Tennessee, Virginia, West Virginia, Colorado, New Hampshire, New York and Mississippi. With the exception of Alabama, Georgia and Colorado only small detachments remain in these states.

ILLINOIS O. E. S. ELECTS TODAY

Springfield, Ill., Oct. 3.—Five candidates for the position of associate grand conductress of the Grand Chapter of Illinois, Order of Eastern Star, are in the field tonight, awaiting the election tomorrow morning. This position is the stepping stone to higher offices.

MUNDAY FILES APPEAL

Morris, Ill., Oct. 3.—An appeal was filed in the appellate court at Ottawa, Ill., today by C. B. Munday, sentenced to five years in the penitentiary for conspiracy in wrecking the LaSalle Street Trust & Savings Bank of Chicago of which he was an officer. Oral arguments were set for next Wednesday. A decision on the appeal is not expected before the April 1917 term of court.

C. & A. SHOWS DEFICIT.

Chicago, Oct. 3.—Although the annual report of the Chicago & Alton railroad for the fiscal year ending June 30, 1916, showed an increase of 14.60 percent or more than \$2,000,000 over the previous year, the road still showed a deficit of \$171,578 net for the year. The previous year's deficit was \$1,169,156.

COLONEL AND TAFT MEET AT RECEPTION

Speak from Same Platform With Hughes at Union League Club

IN SAME RECEIVING LINE

All Three Assail Administration More Vigorously Than Before in Speeches

GUESTS 2 HOURS IN PASSING

NEW YORK, Oct. 3.—Charles Evans Hughes, Theodore Roosevelt and William Howard Taft spoke tonight from the same platform at a reception given Mr. Hughes by the Union League club of this city. The occasion served to bring Col. Roosevelt and Mr. Taft face to face for the first time in more than a year. They clasped hands for a moment, each said to the other: "How do you do?" and bowed. Col. Roosevelt then passed on to take his place in the receiving line.

Later in the evening Col. Roosevelt and Mr. Taft met again. Col. Roosevelt it was reported inquired after the health of Mrs. Taft. Messrs. Hughes, Roosevelt and Taft addressed the club members and their guests after the formal reception. In their speeches each assailed the administration more vigorously than before during the present campaign.

"We have heard in recent days," Mr. Hughes said, "that the alternative of the policy of the present administration is war. I think that the alternative of the present administration is peace with honor."

Col. Roosevelt vigorously denounced the administration's foreign policy.

Mr. Wilson, Colonel Roosevelt said, "is praised for the most part by people with shoulders that slope like a champagne bottle."

Mr. Taft said that he concurred in the view of Mr. Roosevelt that this election is the most "important" since the civil war and declared that he did not consider that the administration had kept the country out of war.

Tonight's reception was arranged some time ago and public announcement was made that Urf. Taft and Col. Roosevelt would meet. The hour set for the affair—eight o'clock—found the clubhouse entrance choked with hundreds of men in evening clothes. Elihu Root waited at the door to welcome the guest of honor, Mr. Hughes, and the two former presidents.

The first to arrive was Mr. Taft. His recognition by the guests hung fire a moment, then proclaimed itself in cheers. Five minutes later came Col. Roosevelt. The packed hallways cheered him and he acknowledged the greetings by lifting his well brimmed black felt hat. The cheering was still in progress when Hughes and William R. Wilcox, Republican national chairman, reached the building.

There was a moment's pause and then the crowd cheered Mr. Hughes. Mr. Root escorted Mr. Hughes to the library temporarily converted into a reception parlor and George R. Sheldon took Col. Roosevelt's arm. Then came the meeting between Col. Roosevelt and Mr. Taft.

They had changed somewhat in appearance since the time they last exchanged greetings. Both were somewhat grayer than they were then, with the lines of their faces deepening into wrinkles. And Mr. Taft was nearly 100 pounds heavier when he was president than now.

When they were brought face to face tonight by Mr. Sheldon there was no word of introduction—no time for it. For a fraction of a second their eyes met and looked into each others unsmiling face. Then Mr. Taft extended his hand and Col. Roosevelt took it. Mr. Root, as president of the club, stood first in the receiving line with Mr. Hughes at his right. Others in the line in the order named were Col. Roosevelt, Mr. Dewey, Mr. Taft, Gen. Horace Porter, former president of the club; Gov. Whitman of New York; Senator Fall of New Mexico; Gov. Beckman of Rhode Island; Mr. Wilcox; Mr. Calder; Senator Weeks; Mr. Baron and W. Cameron Forbes.

The line of guests was nearly two hours in passing and then the speaking began.

CONFESSIONS TO KILLING WOMAN

Grand Rapids, Mich., Oct. 3.—James Allen, 64 years old of Ashland, Ohio, broke down late today after a severe shilling and confession according to Sheriff Berry, that he murdered Mrs. Hannah St. John, 67 years old, of Mayfield, N. Y., in a lonely woods near here. The woman's body, with bullet holes in the forehead and right arm, was found in the woods Sunday by two boys.

KNIGHTS TEMPLAR ELECT OFFICERS

ONE VOTE DECIDES CLOSEST ELECTION IN YEARS FOR GRAND WARDEN

Honor Goes to Harry W. Hanson of Princeton on Fourth Ballot—Grand Commandery Officers Hold Annual Banquet.

Decatur, Ill., Oct. 2.—One vote today decided the closest election for grand warden that the Illinois conclave, Knights Templar has known in years, Harry W. Hanson of Princeton, receiving the honor on the fourth ballot. Horace Herbert Halliday of Cairo, Harry Lafayette Smith of Springfield and Warren R. Hickox, of Kankakee were the other candidates.

Grand commandery officers held their annual banquet tonight and a concert by the visiting commandery bands and Beaumanoir band of Decatur entertained other knights. Informal receptions were held at all headquarters of commanderies. Installation of officers will take place at the closing session Wednesday morning and the new grand commander's appointments will be announced at that time. Sixteen hundred knights and eleven bands and drum corps were in the grand parade which preceded the opening business session this morning. The complete list of grand officers, all of whom are promoted to the succeeding office with the exception of the grand prelate and treasurer and recorder is as follows:

Grand commander: Sir Andrew Jackson Redmond, Oak Park.

Deputy Grand Commander: Sir Andrew Logan Henderson, Lincoln.

Grand Generalissimo: Sir James McCordie, Aurora.

Grand Captain General: Sir Milton Everett Robinson, Chicago.

Grand Senior Warden: Sir Louis Emmerson, Mt. Vernon.

Grand Junior Warden: Roland Martin Hollock, Chicago.

Grand Prelate Emeritus: Frank Fox, Decatur.

Grand Treasurer: E. Sir Sylvester Omer, Spring, Chicago.

Grand Recorder: E. Sir Delmar Duane Darrah, Bloomington.

Grand Standard Bearer: William Henry Jennings, Streator.

Grand Sword Bearer: Joseph Atkinson Painter, Chicago.

Grand Warden: Harry W. Hanson, Princeton.

In accordance with custom, the 1917 conclave probably will be held in Chicago, home city of the grand commander.

Mrs. Robert Smith of South Church street is visiting her daughter, Mrs. Swain Marshall, in Beardstown.

BERNSTORFF TO CALL ON WILSON MONDAY

WILL PRESENT, IS UNDERSTOOD, A PERSONAL LETTER FROM KAISER

Contemplated Visit Revives Reports of Possible Moves for Peace in Europe or of a Resumption of Germany's Submarine Warfare.

Long Branch, N. J., Oct. 3.—Count von Bernstorff, German ambassador to the United States, will call on President Wilson next Monday, it was announced here tonight before Mr. Wilson started on his western trip at 8:30 o'clock. It is understood the ambassador will present to Mr. Wilson a personal letter from the German Emperor replying to autograph messages sent by the president to the rulers of several European nations urging that a method be agreed upon for getting relief supplies to starving people in Poland.

It has been reported that the German reply does not tend to bring about an agreement.

The contemplated visit here of Count von Bernstorff revives reports of possible moves for peace in Europe or of a resumption of Germany's submarine warfare. Ambassador Gerard now is on his way home from Berlin. So far as it is believed established here tonight however the coming of the German ambassador to Shadow Lawn has no connection with either of those reports.

A protest was made to President Wilson today by a committee of moving picture producers against efforts to have Congress pass a bill for the federal censorship of moving picture films. According to a statement made later by the committee, the president indicated that to his way of thinking the presumption was against the principle of censorship.

When President Wilson left here tonight it was for the first of four invasions of the Middle West he will make during the campaign. His speech in Omaha Thursday night will be the second of a short series of addresses before non-partisan organizations on public questions. He is being accompanied on the present trip by his wife, Secretary Tamm and Dr. Carey T. Grayson his naval aide and physician.

The president had planned to travel on a regular train leaving here at 6:50 o'clock tonight but the arrangements were changed late this afternoon and he left at 8:25 o'clock and will go on a special train as far as Chicago where he will arrive tomorrow night. No speeches enroute have been arranged.

ROUMANIAN TROOPS GAINING GROUND

Violent Fighting Continues Along Line from Constantza to the Danube

HEAVY RAINS IN WEST

Paris Records Capture of an Important Trench North of Rancourt—Prisoners Taken

REPULSE RUSSIAN ATTACKS

Altho the Roumanians continue to gain ground against the Austro-Germans at various points in Transylvania, the situation in Dobruja, which has attained added interest since the crossing of the Danube into Bulgaria by Roumanian forces, remains uncertain.

Bucharest says that violent fighting continues all along the line south of the railroad running from Constantza to the Danube, with the Teutonic allies offering stubborn resistance to the Roumanian and Russian forces. Nothing is vouchsafed however concerning the troops which invaded Bulgaria.

Sofia says that only "several battalions" of Roumanians made their way across the river and Berlin reports the destruction behind them by German monitors, of the pontoon bridges over which they passed.

An unofficial despatch from Rome asserts that Field Marshal von Mackensen has ordered the evacuation of the Dobruja fortresses of Silistria and Turtukal, recently captured by the Teutonic allies, in the fear of their being enveloped by the Roumanians.

Heavy rains are interfering with the activities of the British and French armies in the Somme region of France but nevertheless Paris records the capture of an important trench north of Rancourt and the taking of additional prisoners while London says the fighting at Fancourt L'Abbaye "is proceeding satisfactorily."

Violent fighting has been in progress in Russia west of Lutsck and in Galicia in the region of the Zlota Lipa river. In the latter region according to Petrograd, neither the Russians nor the Teutonic Allies have been able to gain any marked advantage. West of Lutsck according to Petrograd the Russians made advances but Berlin reports that all tacks here were repulsed, the Russians suffering exceptionally heavy casualties. In the attacks says Berlin which were preceded by the terrific bombardments the Russian guard made seventeen unsuccessful onslaughts and another division made twelve.

As regards fighting in Macedonia, Sofia admits that the heavy artillery fire of the Serbs in the region of Kaimakalan height caused the Bulgarians to withdraw to the Moglenia valley in order to avoid unnecessary losses but asserts that entente attacks elsewhere along the front were repulsed.

Mr. Marshall's Measure.

One can obtain a very fair estimate of the man Thomas Marshall, democratic candidate for vice president, from a statement he made during an address at Belleville Monday. Mr. Marshall declared that "if Hughes is elected, on the first day of March, 1917, Theodore Roosevelt will commence a march on Berlin by way of Mexico." The statement, according to the papers, was made in all seriousness and the surprise is that the vice presidential candidate had no better judgment than to phrase such wild sentences, even though he did know his audience was made up very largely of Germans. While German citizens cannot be classed among the special admirers of Theodore Roosevelt, they are far too wise to have their prejudices inflamed by a Marshall statement of this wide type.

Beveridge The Eloquent.

Albert J. Beveridge, former senator from Indiana, will begin a four weeks' campaign in the interest of Hughes and Fairbank in an address at the Auditorium in Chicago tonight. The former senator is recognized as one of the foremost orators of this country and his connection with the Progressive movement four years ago added very materially to its strength. Mr. Beveridge has not only the faculty of logic but clothes his addresses in language so picturesque that the effect upon his audiences is certain. When in the senate phrases from his speeches were quoted in a nation wide way and became the slogans for various forward movements. The national Republican committee is fortunate in having the co-operation of the enthusiasm and oratory of Albert J. Beveridge.

Sweden Grows Restive.

The relations between Sweden and the allies are very tense as the result of disputes over mail seizures and other matters. The allies are not thoroughly satisfied that the neutrality of Sweden is as loyal and impartial as should be. The belief is expressed that the tact of diplomats will be able to avert still more serious differences and Sweden may continue to keep out of the war in some quarters the belief grows that the entrance of other nations into the conflict would not complicate it greatly, but on the other hand would result in an earlier end. The belief grows, too, that unless something of an entirely unexpected nature happens the war will grind its weary way along for at least eighteen months or two years. This thought is strengthened by the clear indication given by Germany on the one hand and the allied nations on the other, that present day talk of peace is useless. Reports from abroad give almost unbelievable statistics to show that in spite of the enormous losses, that the belligerent nations are mustering still greater armies than have already been sent. It now appears a stubborn contest with interests so great at stake that it must be fought out to the end, whatever that may be.

The Opportunity for Wealth.

A survey of the estate of Herman Farasch of New York, who died recently, furnishes a proof of what can be accomplished in this "land of the free and the home of the brave." Farasch, who was just a poor student in chemistry, came here from Germany in 1898 practically penniless.

He had, however, such ability that he attracted the notice of John D. Rockefeller and later became the chief chemist of the Standard Oil company. Subsequently by developing a process for purifying sulphur from a mine in Louisiana where several companies had failed, he amassed a fortune and his estate is worth more than ten millions. Instances of such wealth attained by foreigners from humble beginnings are few but the moderate successes made from such beginnings are countless. And it is no wonder the millions in the old country annually turn their eyes with longing to this land of promise and opportunity.

The special attempt which both parties are making to secure the votes of college men and women is one of the features of the political campaign which is now at its height. There is a Woodrow Wilson College Men's League and a Hughes National College League. They are actively affiliated with the National Committees of the two parties but have distinct organizations and particular work to do. They have attracted to their colors some of the leading college athletes of the past decade and they are sending their workers into all parts of the country. The Hughes League alone has sent to 250,000 college graduates a circular outlining the reasons why the Republican nominee deserves their support. The two organizations maintain their headquarters in New York but have branches in nearly all the States.

The Soldiers' Memorial.

The petitions have been filed with the county board which make it certain that people will vote in November upon the proposition to erect a soldiers' memorial in this county. The law provides that if a majority of the people declare in favor of the proposition that it is the duty of the board to appropriate money for the purpose. The law was passed with the end in view of paying just tribute to the heroic dead and at the same time teaching lessons in patriotism to the present generation.

A fitting and due memorial can be erected to the men who "saved the union" without burden upon the tax payers and it is a good and proper movement that the old soldiers have inaugurated in bringing this question before the people. No doubt at the coming election the voters by a large majority will let the county board know that they approve of the expenditure of money for this purpose.

TWO DAYS FOR REGISTERING
VOTERS THIS MONTH.
October 17th and 31st are the Dates
Fixed by Law.

There has been some discussion as to the days for registration for the next election and County Clerk Boruff has called attention to the law. The days for registration this year are Tuesday, October 17, and Tuesday, October 31st. On the first registration day the election judges spend the day at the polls and list the names of those known to be legal voters. On the second day according to the law only those voters who appear in person at the polls can have their names placed on the books. The same rules apply to women as to men. Voters who do not register can be sworn in on election day but the voter is saved a great deal of time and confusion by having his name on the poll books before election day. Although the question has been frequently answered there is still some lack of understanding about the offices for which women can vote at the coming election. According to the interpretation of the law by Attorney General P. J. Lucey, women can vote for presidential electors, university trustees, members of the state board of equalization and county surveyor.

NOTICE TO WATER CONSUMERS

NORBURY SANATORIUM WORK IS ADVANCING

EXTENSIVE BUILDING BETTERMENTS WILL SOON BE COMPLETED

Installation Equipment Now Accords With Best Modern Ideas—Beautiful Grounds Supplemented by Building of Artistic Lines and Furnishings—Forty Rooms Available for Care of Patients.

The extensive betterments which have been in progress for months past at the Norbury sanatorium are now nearing completion. While those who pass by the sanatorium property on Mound avenue have some idea of the improvements, a closer inspection is necessary before there comes a realization of how extensive an institution the Norbury Sanatorium has become in the comparatively few years of its existence. The company owns the Maplecrest property just west of Jacksonville on Mound avenue and has leases on the two Maplewood buildings on South Diamond street. There are accommodations for forty patients at Maplewood and the additions now almost completed give capacity at Maplecrest for forty others.

Ideal Location

The Maplecrest property, which in years gone by was known as Kilmarlock, is one of the most beautiful in central Illinois. It furnishes an ideal location for such an institution as there is restful seclusion, beauty of grounds and the general topography of the outlying country lends its charm. The grounds rise upward from the roadway to the building at the crest and then slope to the south and west. Located as the building is, on the summit of the slope, a marvelous view is afforded to the north, west and south. From this point of vantage some of the finest farm land in Illinois can be seen as it stretches miles upon miles away.

When Maplecrest was acquired by the Norbury Sanatorium Company it was practically in equipment an enlarged private dwelling house with a moderate number of spacious apartments. Some improvements were soon made but it became apparent within a very few months that an extensive increase in facilities must be secured if demands upon the institution were to be at all met. It takes months to plan for such an institution and the management went about the matter carefully in making the plans, combining ideas based upon inspection and study of similar institutions with those of the local architect, C. W. Buckingham. The Maplecrest institution of the Norbury Sanatorium Company is today a result of those matured plans. A wing has been built at either side of the original building. The additions have been constructed at angles of twenty degrees in their relation to the central part and by this means it has been possible to admit sunlight to every room at some hour during each day.

The Stucco Finish

The outside finish of the additions is stone stucco of a soft gray in color very pleasing to the eye. The walls of the original building have also been treated with the stucco and so there is absolute uniformity in exterior color and finish. Trellises done in green give a pretty decorative effect to the walls, which will later be greatly enhanced as the trellises become the resting place for Boston and English ivy. The painted color in its contrast with the stucco already gives an indication of the beautiful effect that will come when the vines have had their growth along the walls. A colonial porch, with its massive columns extending from the foundation to the top of the second story, stretches across the main entrance and gives an imposing effect to the whole architecture, which is a combination of the colonial and the French, or in the language of the architect, "Elizabethan with French feeling."

Entering the building one finds at the right the office of Dr. F. P. Norbury, medical director, and at the left the office of Dr. A. H. Dollear, superintendent. Nearby on the same floor is the office of Vincent Riley, business manager of the company. The living apartments of the superintendent are in the rear of the main entrance, occupying space on both the first and second floors and including a particularly attractive sleeping porch which affords a fine view of the country to the southwest. There is a spacious basement underneath the entire building.

Hydro-therapy Suite

A portion of the basement rooms underneath the west wing is being used temporarily as a kitchen but is designed for an amusement hall. Billiard tables will be installed and possibly a bowling alley, the purpose being to afford a means of indoor recreation. The basement rooms beneath the central portion of the building are now being fitted for a kitchen and adjoining are various storage apartments. Under the east wing is the hydro-therapy suite with its series of eight or ten rooms. One is the examining room, another the laboratory, a third where patients are prepared

BIBLE ADDRESSES.

Miss Ruby B. Neville, dean of the department of English Bible at the Illinois Woman's College, has graciously accepted the invitation of the official board of Grace Methodist Episcopal church to deliver a series of Bible lectures during the month of October. Miss Neville has elected to speak on the Religion of Israel and the application of its social teachings to twentieth century American life. She is thoroughly conversant with the latest literature on the Old Testament scriptures and these lectures will be of special interest to all Bible students. The addresses will be given on Wednesday evening during the prayer meeting hour at Grace church. The service will open with a half hour of song and prayer and Miss Neville will begin her address promptly at 8 o'clock. All who are not engaged elsewhere in a similar service at this hour, are invited to enjoy these lectures. The subjects and dates are:

Oct. 4—Israel's Early Religion.
Oct. 11—The Eighth Century in Israel: Its Doom and Its Salvation.
Oct. 25—A Comparison of Amos and Hosea.

FOR SALE

Having sold my farm I will offer for sale cattle, farm implements, at my residence 2 1/2 half miles northwest of city, at the end of North Diamond Road, Thursday, Oct. 5, 1916. Frank Arthur. 9-20-41

Rippling Rhymes By WALT MASON

SIGNS OF THE AGE.

I realize, with bitter grief, I'm in the sere and yellow leaf. The things that once excited me, and made me throw two fits or three, no longer make the old appeal, and quite indifferently I feel. When presidential fights were on, in happy times forever gone, for days together I saw red; I hardly ever went to bed. I really thought if A should win, a golden era would begin; I really thought if A should lose, we'd have to soak our shirts and shoes to buy our hungry children bread, and life would be a thing of dread. But now I hear the statesmen roar the same old thunder as of yore, and not a tremor do I feel, and not a warning makes appeal. I know that when the fuss is done, and A has lost, and B has won, we'll all pick on the same old way, and saw our wood and bale our hay, and love and laugh, and sing and sigh, and woo and wed and work and die.

SOCIAL EVENTS

Y. W. F. M. Society Entertained

The Young Women's Foreign Missionary society of Centenary church was entertained at the home of Mrs. E. L. Kinney on South Prairie street Monday evening, with Mrs. Albert C. Baldwin and Miss Lelia Reese as assistant hostesses. Miss Gertrude Atkins had charge of the program and the topic of her paper was "War and the Kingdom." Miss Minnie Wyatt and Mrs. Homer Rowland also gave interesting papers. After the program refreshments were served and Victrola music enjoyed.

Mrs. Taylor Entertains Woman's Relief Corps.

Members of the Woman's Relief Corps held a birthday social Tuesday afternoon at the home of Mrs. C. Riggs Taylor, 1471 South Main street. Mrs. A. J. Taylor, Mrs. Anna Ferguson, Mrs. Josephine Jaeger and Mrs. Martha Happy were hostesses. There were thirty guests present for a pleasant social afternoon. A parcel post sale was held. Dainty refreshments were served.

Miss Vaughn's Class Enjoys Wiener Roast.

Young women of Miss Ara Vaughn's class at Grace M. E. Sunday school enjoyed a wiener and marshmallow roast Monday afternoon in the woods east of the city. The event was in honor of new members of the class. The older members, who assisted their teachers in entertaining were Misses Rose Ranson, Frieda Rodenberg, Mabel Jordan, Yeva Crim, Nan Crim, Opal Marshall and Frances Hayes. The hours from 4 to 6 o'clock were thoroughly enjoyed by the twenty guests.

Missionary Society Begins New Study.

"World Missions and World Peace" is the theme of study of the Young Woman's Foreign Missionary society of Centenary M. E. church this year and the first meeting, held at the home of Mrs. E. L. Kinney on South Prairie street and led by Miss Gertrude Atkins, proved very interesting. Mrs. Kinney was assisted by Mrs. Albert Baldwin and Miss Lelia Reese. Mrs. Homer Rowland and Miss Minnie Wyatt read leaflets.

Woman's Country Club Entertains Guests.

At the regular meeting of the Woman's Country club of Orleans, entertained Tuesday afternoon at the home of Mrs. A. A. Curry, there were present several visitors from other clubs and words of greeting from these sister organizations were heard with especial pleasure. Mrs. Samuel Darley spoke for the Franklin Home Makers' circle, Mrs. Bradish for the South Side Circle, Miss Eleanor Moore for the History class and Mrs. C. F. Ehrie for the D. A. R. Greetings from the Jacksonville Woman's club were extended by Mrs. H. L. Griswold. Mrs. William Cleary represented the Strawn's Crossing Woman's club, of which she is a charter member. Mrs. O'Neal of Lamar, Mo., told of club work in her home city. Mrs. Ollie Parker and Mrs. Kneale were among visitors from Jacksonville.

Mrs. Emma Tindall presented a paper on "Modern Improvements in Country Life" and Mrs. Margaret Colwell gave "The Adjustment of Home Duties to Civic and Social Demands." A general discussion followed. When the roll was called, the members responded with favorite quotations. Excellent refreshments were served.

Entertained Club

Mrs. Anos McCurley entertained the Larkin Club recently at her home near Clements. The hostess served a very dainty luncheon, being assisted by Misses Ethel Shirley, Sadie Irlam and Mable McCurley. The guests reported a very delightful time.

Birthday Surprise

Mrs. Susan Margaret Smith, residing two miles west of Arcadia was pleasantly surprised Monday by a number of her relatives, the occasion being her 61st birthday. The self-invited guests brought along lots of good things to eat and at noon an elegant repast was enjoyed. Those present were: Mrs. Edward Standley, Joy Prairie, Mr. and Mrs. D. L. Voorhes and daughter Alma and son Samuel, Mrs. Earnest Reams, Chapin, Mrs. Carl Beddingfield and son Howard, Joy Prairie, Mrs. Elmer Smith, Grace Chapin, Mrs. Arthur Voorhes, Mrs. J. W. Johnson, Arcadia, Mrs. Edward Ator, Litterberry, Mrs. Smith and sons George and Ascar. Following the dinner the ladies spent the afternoon in quilting. When the guests departed it was with the wish that Mrs. Smith would enjoy many more anniversaries.

Sunbeam Class of Chapin School Entertains.

The Sunbeam class of the Chapin Christian Sunday school gave a farewell party Monday afternoon at the home of the teacher, Miss Ruth Funk, in honor of Helen Smith. The hours from four to six were spent with music and games and a wiener and egg roast furnished an enjoyable feature. In every way the occasion was a success. Miss Smith will leave in a few days for Beardstown where she is to reside.

BARN WAS BURNED.

A barn on the farm of Allen Morris, three miles east of Nortonville, took fire about 4 o'clock Monday afternoon, and was burned to the ground. Mr. Morris carried insurance on the building. The cause is unknown.

SHIRLEY REVIS DIES TUESDAY AT HIS HOME IN WINCHESTER

Had Spent Winter in South for Benefit of Health—Funeral of Charles Northcutt—Other News Notes.

Winchester, Ill., Oct. 3.—Shirley Revis died at his home here this evening at 9:20 o'clock after an illness of several months. Mr. Revis had for some time been in failing health and last winter was in Texas, where he went for the purpose of benefiting his health. His widow and three small children survive. Mr. Revis' parents reside in Roodhouse.

Funeral announcement will be made later.

Mr. Revis was a painter by trade. He had made his home for several years and was highly respected by all whom he met.

The Northcutt Funeral

The funeral of Charles Northcutt was held at 2 o'clock Sunday afternoon from Winchester Baptist church, in charge of Elder George Murray, assisted by the Rev. D. H. Toomey. So many friends came to attend that the auditorium was filled and the company overflowed into the Sunday school room. Music for the services was furnished by Miss Louise Frost, Miss Grace Thompson, W. B. Clark, and O. L. Robertson.

Burial was made in Winchester cemetery. The bearers were Gus Peterson, Fred Hamilton, Fred Boston, W. H. Kinison, Robert Sperry and Samuel Whitmer.

Mr. Northcutt was a man of kind disposition, well beloved by all. There survive the widow, the mother, two brothers, James and John Northcutt, in addition to a number of other relatives.

Personal Mention

Mrs. Paul Green and baby daughter are visiting relatives in Davenport, Ia.

Edward McCaskey left Tuesday noon for a visit in Galesburg.

Mr. and Mrs. Robert Woodall went Tuesday morning to St. Louis. Mr. Woodall returned the same day, while Mrs. Woodall remained for several days' treatment in a St. Louis hospital.

Albert B. Ring left Tuesday morning for a visit of several days in St. Louis.

Word was received Tuesday that Charles Terhune, at Our Savior's hospital, Jacksonville, had suffered a turn for the worse. His father and uncle went to Jacksonville on receipt of the message.

Mr. and Mrs. Vess Weisser were among the St. Louis visitors.

Miss Dona Little arrived home Tuesday after a four weeks' visit in Streator and Peoria.

Miss Frances Wallace is spending several days in Jacksonville the guest of Miss Helen Harney.

Miss Nylene Prewitt, a student at Illinois Woman's College, spent Sunday at her home.

Russell McLaughlin has removed to the property formerly occupied by C. N. Danners in the north part of town.

Mrs. O. L. Pride has returned from Virden where she visited her parents, Mr. and Mrs. John Wright.

FUNERALS

Evans

Funeral services for Mrs. Nancy Ann Evans were held from the residence, 1224 Park Place Tuesday afternoon at 3 o'clock in charge of the Rev. W. W. Theobald, pastor of Brooklyn church. There was a large gathering of relatives and friends which served to show the esteem in which the deceased was held by those who knew her. Hymns were sung by a quartet composed of Mrs. Moody, Mrs. Moore, T. B. Reeve and J. A. Walker. There were many beautiful floral offerings and these were cared for by Misses Florence Tineuf, Bertha Stamm and Mary Mitchell. Interment was in Diamond Grove cemetery, the bearers being Walker Dewey, Burl May, Claude Ragan, George B. Greener, Jack Stamm and Walker Emberton.

WITH THE SICK.

H. C. Mallory who recently suffered a paralytic stroke at his home on South Main street, is improving. Miss Grace Wetzel of Griggsville is a patient at Our Savior's hospital. William L. Tilton is again a patient at Our Savior's hospital. Mr. Tilton was for some time at the hospital for treatment but several weeks ago was sufficiently improved to return to his home.

Miss Ross Long of Markham underwent operation Tuesday at Our Savior's hospital.

Miss Ida Maddox, for some time past a patient at Passavant hospital, returned Monday to her home, 268 Sandusky street.

LIVES TO CAROLINE.

With a galaxy of brothers, which was really, "hard to beat," (The my mother often tried "a gad" at that;) I had one little sister,—very dainty, sweet and neat, And the envy of each neighboring "dirty brat."

We were rich, in many blessings; We were gay, with laugh and song; (But with money,—we were always somewhat "short"); We were rich, with sweet-voiced sister,

Shining like a "solitaire," And were proud to have a sister of that sort.

SOME FARM THEMES

Much Soft Corn

Investigation shows a much larger percentage of soft corn may be expected this fall, in Livingston county, than has been anticipated. In a conference of Township advisors of the soil and crop improvement association, called Tuesday, September 26, to discuss the corn situation, and advise as to the care for soft corn, it was the consensus of opinion that practically all corn in this county, with the continued dry weather, will mature sufficiently to keep in the crib. It was the belief, however, that a large amount of corn will not be kept in the crib, if much rain is had and the greatest of care is not exercised in cribbing. Much corn is just now passing the roasting ear stage. It is this that arouses fear as to cribbing. Persons having late, immature corn are advised to let it stand in field as long as possible, so long as damage will not result from lodging or down corn. Corn will mature best in the field, under normal conditions. Care should be used at the crib to throw out every soft ear and to remove silks. At frequent intervals the crib should be entered and silks, husks, etc., which accumulate in center of crib should be removed. Some advise placing board ventilators in cribs; two or three put in lengthwise are sufficient. These ventilators are made of three boards, fastened in the shape of a box, with several short boards nailed across open side. Open side is placed down. Good results are reported from this practice. It was further thought advisable, where stover may be used to advantage, to put soft corn into shock. Of course the best practice is to put such corn in the silo. Shock corn may be put into silo in winter or spring, satisfactorily.

With the comparatively low price of feeder cattle and high price of fat hogs, it will be found advisable to hog or cut and feed soft corn to cattle, where much of it is to be had. The chief damage in checking the normal filling and maturing of ears. Probably no very great damage has yet been done to the germ of corn, however, it is now time for housing seed. This should be attended to at once.

NORBURY SANATORIUM WORK IS ADVANCING

(Continued from Page 2.)

In the douche room it is possible to secure water of a temperature greater than 110 degrees. This automatic apparatus, therefore, leaves nothing to the judgment of the attendant and thus danger is eliminated from the baths which form such an important part of the treatment in the various suites.

In each of the four suites there are ten rooms for patients. A bathroom is located between each two rooms and is thus available for use from either room. The walls of all rooms, like those in the corridors, are constructed of Hockaday finish, which is an integral part of the wall and made of such material that it can be cleaned by the use of water without damage. The rooms for patients are, as previously noted, extremely well lighted, the window arrangement providing sunlight every day. The artificial illumination is from brassolites, the system of indirect lighting being followed through the building in rooms and corridors.

Four Suite Diet Kitchens

In addition to the rooms mentioned, each suite includes a parlor or reception room, a service room which is in reality the office for the nurse or nurses on duty there, and last but not least in importance, the diet kitchen. The equipment in this apartment includes steam table, refrigerator and screened shelves. Attached to the steam table is a gas burner and in this kitchen eggs and toast and food of that character is cooked, while meats and vegetables are brought from the central kitchen and transferred to the compartments in the steam table. The diet kitchens on each floor are not developments of economy but of service, for all patients have tray service and by this system it is possible to furnish the food in a way as nearly ideal as possible.

One of the bath rooms in suite A and another in suite B is designed for treatment of patients requiring the continuous bath, this treatment being in fact a part of the hydrotherapy plan. The two bath rooms for this purpose differ from the others from the fact that the walls are lined with insulating felt made from sea grass. It is so interwoven in the wall that the nails from either side do not permit sounds to penetrate and the result is to give a soundproof bathroom.

Silent Signal System

One of the features of the equipment and service is the silent signal system. In the office of the superintendent, Dr. Dollear, will be an electric monitor or dial plate which is connected with every room. It is the duty of each nurse to call in every twenty minutes during the night hours and this call, which is made by the pressure of a button, operates a stylus which indicates that the call has been made, showing the hour and from whence it came. Every call made by a patient is recorded on this monitor by a white electric bulb. The moment a patient pushes a button attached to the cord by the side of the bed the device locks automatically and the white light is shown upon the monitor in the superintendent's office. This light continues to show until the call has been answered and the nurse by the insertion of a key has released the button which the patient has pushed. At the same time that the light appears on the monitor face another white bulb is lighted above the door of the room from which the call came.

As a further protection in the matter of service there is a system of red lights. Each nurse carries a key to an electrical plate located in each room and if at any time there is need of assistance the key is pushed into the slot and immediately sounds a gong in the central part of the building. If this gong is heard it is the duty of every officer about the institution to at once proceed to the suite indicated. A glance at the monitor in the superintendent's office will show exactly whence the call comes for the suite is shown as indicated by the red bulb above the door. In addition to this electrical apparatus the sanatorium is fitted with an intercommunicating telephone system, each department connecting with every other department.

Grounds to Be Beautified

The natural beauty of the grounds has already been enhanced with some landscape gardening, giving an intimation of what the completed grounds will be. The tarvin roadway which is being constructed on Mound avenue stretches west to the main entrance to the grounds. Massive concrete blocks have been placed on either side and these are to be finished with cobblestones of varied colors which were shipped from northern Illinois. A spacious driveway extends from the main entrance toward the building and in making the turn a circular glass plot, framed with concrete curb, is left. Some shrubbery and plants will be in beds near the porch but it will not be of a size to screen the porch from view.

At some distance from the main entrance to the left a tennis court and made croquet grounds will be laid out and in the rear will be a

pergola and a thicket or grove especially designed for birds. The purpose is there to afford an opportunity for special study of birds to those interested and thus furnish another means of recreation. In the spring an ornamental hedge will be planted all along the west boundary line.

The grounds in the rear are almost as beautiful as those in front and stretch away far to the south. Thirty-five or forty acres are included in the property and a lease is had on some land adjoining. There is thus space for extensive gardens, and orchard and pasturage is afforded for a choice herd of Holsteins and Jerseys. The orchard of several acres in extent consists mainly of cherry and peach trees with some smaller fruit.

Vacuum Heating System
The heating plant is located 100 feet or more south of the main building and is on a lower level. The Moline vacuum system of steam heating was installed and the place for the boiler house was chosen so that the returns to the boiler might be automatic. To the west of the boiler house is the laundry, which is in every way a model. The floor is of concrete and the spacious airy building is especially well lighted. The machinery is of the most modern type, providing the maximum of efficiency with as little manual labor as possible. Nevertheless four or five persons are employed in the laundry the greater part of the time.

To the east of the main building is the nurses' home in course of construction, and William Farrington as contractor has charge of this work. A large addition has been made to the frame building there and one side is for women employees and the other for men. Each room is of comfortable size, well lighted and there is ample closet space. One room on the first floor will be furnished as a parlor where occupants of the home may receive their guests. Several bathrooms are included in the equipment.

Private Water Supply

Water for the whole institution is supplied from a well 140 feet deep which furnishes an adequate supply and of excellent quality. The water is pumped by electrical power and the arrangement is such that when the storage tank is filled the pumping automatically ceases. The other buildings on the grounds are the large barn, which is equipped for the care of horses and the dairy herd, and the chicken house which is built along modern lines. Rhode Island Reds are kept and it is the intention to keep several hundred fowls as soon as there has been time to properly develop the flock.

One of the most attractive spots about the sanatorium is the veranda above the great front porch, which is accessible from the second story. It is very spacious and is floored with a material similar to that used on the decks of ships, which at once affords an impervious roof covering and is noiseless and pleasant to walk on. This veranda will be furnished with lounging chairs and settees and is certain to be a very popular resort with the convalescing patients. There is but one great room on the third floor in the central part of the building and this is designed as the library and reference room for the superintendent.

All the latest medical magazines will be on file there and there will be abundant table space for library books. In the management of a sanatorium of this kind a considerable amount of reading and research work is essential and a quiet retreat is necessary for such work, and it is to fill this need that the library and reference room has been designed.

Sanatorium Unsurpassed

In a casual visit to an institution of such size, designed and operated along the most advanced lines, there are many points of professional interest which are certain to be omitted from a descriptive article of this character, but no visitor to the Norbury Sanatorium can fail to be impressed with the size and equipment of the building, the beauty of the surroundings and the extremely efficient management. The sanatorium has been founded and developed for the treatment of nervous diseases and a visit there gives the distinct impression that here in Jacksonville, with little publicly known of the work, a sanatorium has been built up which rivals anything of the kind in Illinois or surrounding states. For several years past the Norbury Sanatorium has been drawing patients from a territory thousands of miles in extent, and the reputation of the sanatorium is so well established that the constant struggle is to have the capacity measure up to the requests for admittance.

As indicated above, C. W. Buckingham is the architect and superintendent of construction and the carpenter work and general contract is in the hands of Joshua Vasconcellos & Sons on the percentage basis. Other contractors by whom the work has been done are as follows: brick work and plastering, E. E. Wells; painting, Biggs & Son; plumbing, Bernard Gause; heating, Jacksonville Plumbing company; electrical work, G. A. Sieber.

A Perfect Dependable, Economical, Wood
Coal and Gas Range

The Three-in-one Majestic

The combination coal, wood and gas Range without too much mechanism; no levers to turn or twist—to get out of whack or be mis-handled.

It is the simplicity of the Majestic Combination that has made it so popular. Not a thing to change in your oven—just turn on the gas. Can be attached to your own Majestic and heat your reservoir (if its on the back end of your range.)

\$7.50

This gas attachment on a new Range is \$7.50. On an old Range \$7.50 plus the time of attaching.

Renowned Gas Saver Burner

Mixes 40 to 50 volumes of air with one volume of Gas.

REMEMBER—only these gas burners used to heat the entire top, oven and reservoir, and they burn less gas than the top burners only of an ordinary gas Range. The same burners that heat the top heat the oven and reservoir.

SOLDIER'S MONUMENT PLAN WILL BE VOTED ON

Petitions Filed Requesting That Question Be Placed on The Ballot in November.

Following a meeting of the soldiers' monument executive committee held Tuesday petitions were filed in the office of County Clerk Boruff asking the county board to place the question of erecting a monument on the ballot this fall. The petitions include 1,113 names and as the required number is but 200 it is very certain that the people will vote upon the question.

Under the law when such a petition has been filed it becomes the duty of the county board to put the question on the ballot in the next general election and if a majority of votes cast upon the question are favorable to the proposition, then later on the board must proceed to make an appropriation for a monument or memorial. The greatest latitude is given the board and it is discretionary with them whether a monument shall be erected or a memorial building. The executive committee which met yesterday to file the petitions and transact other business includes Major C. E. McDougall, C. Riggs Taylor, T. B. Orer, J. F. Self, W. H. Jordan and Hassel Hopper. Capt. J. M. Swales was originally a member of the committee but is now absent from the city.

ANTI-TUBERCULOSIS LEAGUE IN THE MONTHLY MEETING

Miss Katharine Olmsted Gives Interesting Account of Wisconsin Work—Miss Coale's Report.

Miss Martha Coale, visiting nurse for the anti-tuberculosis league, left Tuesday evening for Louisville, Ky., to attend the annual convention of the Mississippi Valley Anti-Tuberculosis league. She was accompanied by Miss M. Grace Osborne of Indiana, who was here in the interest of the Glacklin law sanatorium tax, and Miss Katherine Olmsted. Miss Olmsted, the former visiting nurse, now has charge of the work in public health nursing at the University of Wisconsin. She stopped in Jacksonville for a visit of several days with Miss Florence Ward and on Monday evening delivered an interesting address at the public library after the regular meeting of the anti-tuberculosis league.

Dr. H. C. Woltman, the clinical adviser, reported a number of new cases which have been cared for at the clinic during the month just past. Mrs. D. W. Reid reported an agreement entered into with the board of education whereby the open air school will be continued for the ensuing year under joint management of the board and the league. Miss Coale told of her work for the Glacklin law publicity campaign and of assistance given Miss Guffield Johnson, the school nurse.

Following is Miss Coale's report for the month:

Number of clinics, 4.
Number of doctors, 2.
Number of examinations, 39;
white, 27; black, 12; children, 39;
male 27; female, 12.
Number of Moro tests, 10; negative, 6; positive, 4.
Number of patients at clinic, 74.
Number of tuberculin treatments, 12.

Nursing care in forty homes; tuberculosis visits, 150; Metropolitan visits, 44; general visits, 82; total, 268.

Number of new calls, 20.
Reported by doctors, 2; Metropolitan agent, 1; neighbors, 8; nurse found, 9; total, 20.

AUTHOR OF FAMOUS NOVEL IN CITY.

Waldron Bailly, who wrote the famous novel, "Heart of the Blue Ridge", was a caller in the city yesterday. Mr. Bailly's home is now in Mt. Kisco, N. Y., but for fifteen years he resided in a cabin among the Blue Ridge mountains. His novel is now being put in moving pictures with the film favorite, Clara Kimball Young, playing the part of Plutina, and it has been meeting with wonderful success. Mr. Bailly has just completed a new book "The Homeward Trail," which he expects to have on the market in a short time. The characters in all his stories are real and breathe with love, interest and adventure. Mr. Bailly is a fine fellow and withal a very pleasant gentleman to meet.

MRS. ELIZABETH B. SMITH DEAD AT HOME NEAR ISLAND GROVE

Illness Covered Period of a Year—Funeral Arrangements to Be Announced Thursday

Mrs. Elizabeth Brown Smith died Tuesday night at 9 o'clock at the family home near Island Grove. Mrs. Smith, who was the widow of the late James D. Smith, and a sister of the late Hfon, William Brown of this city had been in ill health for more than a year and for the past eight months had been confined to her home. During recent days she had failed rapidly and the members of the family knew that the end was very near.

Mrs. Smith was born in Booneville, Mo., April 2, 1842, the daughter of Elijah and Mary Brown. It was Sept. 1864 that her marriage occurred to James D. Smith and the family home was shortly afterward established near Island Grove. Mrs. Smith had long been actively associated with the Island Grove Methodist church and was a woman whose strength of character and womanliness gave her an influence which reached far beyond the bounds of her own hospitable home. The deceased is survived by four daughters and one son, all of them living at home. They are Misses Mary, Hallie, Elizabeth and Anna Smith and James D. Smith, Jr. There are two sisters surviving, Mrs. William Beidler of Philadelphia, and Mrs. Frank B. Houston of Kansas City.

The announcement of the funeral will be made in Thursday's paper.

HOUSE DAMAGED BY FIRE

A residence property in Allen avenue owned by William Nunes and occupied by Charles Pires was badly damaged by fire about noon Tuesday. It was the opinion of Chief Hunt that the fire was started from sparks from a brush pile that was being burned close by. The department made a quick run but before the flames were controlled the roof was burned and the ceilings damaged. There also was considerable damage by water. It is understood that Mr. Nunes carried no insurance on the property. Mr. Pires had just moved into the property and his household effects were saved by quick work on the part of the neighbors.

Mrs. Pires and Miss Esther Spoonts were sitting at a window of the residence talking when there was an explosion near the fire which frightened them considerably. It is that it was caused by a can of gasoline. They afterward went to the kitchen where Mrs. Pires was preparing dinner. She smelled smoke but thought it was coming from the fire in the street. The entire roof was in flames before she discovered it. A number of men from the Bridge company rushed to the house and removed the furniture. Mr. Pires will have a loss on rugs of probably a hundred dollars from water.

NOTICE TO WATER CONSUMERS

Water will be shut off on Hardin avenue from College street to Superior avenue from 9 a. m. to noon today, Oct. 4th, for the purpose of repairing valves.

SIXTEEN NEW MEMBERS ADDED 1ST. DAY OF Y.M.C.A. CAMPAIGN

Solicitation for Membership Will
Take Form of Automobile Race,
With Nine Teams in Field.

The first day's solicitation in the Y. M. C. A. campaign for membership closed with sixteen new names on the association roster. Plans for the week's work were discussed at a meeting at the Y. M. C. A. building Tuesday morning. The work here will proceed along lines laid down by the state association. The nine committees each bear the name of some well known automobile and the campaign will thus take the form of an auto race. The committees on membership, as announced by Walter Bellatti, the general chairman are:

Ford—H. J. Rodgers.
Cadillac—Julius G. Strawn.
Hudson—Walter Bellatti.
Buick—Howard Zahn and C. E. Williamson.

Maxwell—H. A. Brewer, Louis Recker and Carl H. Weber.
Chevrolet—E. P. Brockhouse.
National—J. Edgar Martin.
Mitchell—Donald Joy.
Overland—Not announced.

Each team captain will have several captains assisting him during the week.

The state rules, as adopted by the executive committee in Chicago provide that the statewide campaign shall be open to any Illinois city association, that the campaign period shall extend from Oct. 3 to Oct. 7 inclusive and that the standing of the various associations shall be determined in the following manner:

A goal based on the population of the city; the July, 1916, membership; building and equipment; membership fee and special local conditions for each association; this goal in each case to be acceptable to the association. The association that most nearly realizes its goal shall be declared winner of the campaign.

The standing of each association shall be indicated by a percentage; this percentage to be obtained by dividing the goal into actual numbers of members which will indicate the nearness of that association's approach to their goal. For example, "A" has goal of 1,000 members. If at the close of the campaign they have a membership of 750, their percentage would be 75.

Rule 4—A membership to be counted, must be accompanied by the payment of at least one-fourth of the membership fee.

Rule 5—The referee will be F. M. Deerpake, field secretary of the state association. After the campaign opens, he will be final authority on all points in question, will promote the campaign and will answer all inquiries.

The winner of the campaign will be entitled to the distinction "Membership Champions of Illinois, Season 1916" and to the possession of the Kibourne cup.

A Community Asset
The Jacksonville Young Men's Christian association has more than proved its title as a useful factor in the municipal life. In addition to regular association activities it has been identified with other works for community betterment. In his address of welcome Monday night Mayor H. J. Rodgers, president of the Y. M. C. A., pointed out that the building here for a number of years housed the Jacksonville public library. It was the Y. M. C. A. that served as headquarters for more than one local option campaign and thus may the association claim a part of the credit for making Jacksonville a dry city.

The first young men's Christian association was established in England in 1844. Jacksonville had one of the first Y. M. C. A.'s in the state, the organization here dating from 1872, eight years before the erection of a building.

The Y. M. C. A. Dormitories
Since its inception the project of fitting a portion of the building for dormitory uses has become increasingly popular. The rooms are comfortable and convenient and visitors at the "open house" Monday evening were impressed with the attractive appearance of each. Present occupants of the Y. M. C. A. dormitory rooms are Robert M. Boyd, William Boyd, W. R. Van Tine, Hood & Larson, A. E. Tate, Frank Armstrong, Russell McAllister and Earl N. Epler.

When down town today be sure to call at Brady Bros. and see the most wonderful Gas Range made in operation.

LIVING COSTS HAVE INCREASED HEAVILY IN FOUR YEARS

Fourteen Percent is Average According to Statistics—Greater Per Capita Cost is Astonishing

Washington, D. C., Oct. 3.—Under the Wilson administration and the Democratic tariff law the cost to the people of the United States for 15 articles of food alone has increased in the last four years approximately one-seventh.

An American family, under the Taft administration, that spent \$300 per year for these foods is now paying for the same articles, under the Wilson administration, \$342 annually. Figuring five persons to a family this is an increase of \$8.40 for every man, woman and child in the United States, or the stupendous total of more than \$800,000,000.

Under the Underwood tariff law and the Wilson administration the high cost of living has increased by leaps and bounds. Since June, 1912, up to June, 1916, according to the latest available Government statistics there has been an increase of 14 per cent in most of the staple foods.

The Democrats have not kept their promise, made in the Baltimore platform, to reduce the high cost of living. On the contrary every family in the United States is paying higher prices for the principal articles of food, 14 per cent higher than it cost them under the Taft administration and a Republican tariff law.

In the Baltimore platform, on which Wilson was elected President, is the following plank:

"The high cost of living is a serious problem in every American home. The Republican party, in its platform, attempts to escape from responsibility for present conditions by denying that they are due to a protective tariff. We take issue with them on this subject, and charge that excessive prices result in a large measure from the high tariff laws enacted and maintained by the Republican party and from such trusts and commercial conspiracies fostered and encouraged by such laws, and we assert that no substantial relief can be secured for the people without import duties on the necessities of life are materially reduced and these criminal conspiracies broken up."

A 14 per cent increase in the cost of the principal food stuffs is the way the Democrats and the Wilson administration have kept this pledge to the people.

The following table, prepared by the Bureau of Labor statistics of the Department of Labor, shows relative prices of 15 of the principal articles of food in June of each year, 1912 to 1916, included. To form a basis for the table the price for June, 1912, is placed at 100, and the price for each succeeding year is figured accordingly by the Bureau statisticians.

A careful calculation of this table shows that with 100 as a basis for 1912, the 1916 percentage is 114, or an increase of 14 per cent in the cost of the combined food stuffs since the declaration of the Democratic platform. Following is the government table showing the increased cost of living under Democratic rule:

BOY INJURED BY COAL WAGON

Harold Rice, aged 13 years, was injured Tuesday morning when he fell from a coal wagon and one of the wheels passed partially over his body. The attending physician, Dr. R. H. Beverly, believes that he is suffering from a fractured rib.

Young Rice is in the employ of R. K. DeFries, Tuesday morning he started to the residence of John Vasey on the Mound road with a load of coal. Rice had a small boy with him on the wagon. Rice says he reached down to strike one of the horses with the whip when he lost his balance and fell forward on the double tree and onto the ground. The boy on the seat grabbed the lines and stopped the team just as the front wheel was partially on Rice's body.

Oliver Coultas who was coming by at the time came to the city and notified the police. Chief Davis, Sergeant Kiloran and Officer Baker went to the scene and brought the injured boy to the home of his mother Sallie Jones Rice, 342 North West street.

DISCUSS RAILROADS' FUTURE

Philadelphia, Pa., Oct. 2.—"What will be the effect to the passenger business of the railroads of this country upon the termination of the European war?" This is the problem that the members of the American Association of Traveling Passenger agents will attempt to solve at their annual convention now in session here.

Several hundred passenger officials representing all the prominent railroad systems of the United States and Canada were in attendance when the convention was called to order this morning by President William D. Wood. While the business sessions of the convention will occupy only today and tomorrow, plans for entertaining the members have been made which will take up the entire week, and includes trips to Washington, Mount Vernon, Gettysburg and Atlantic City.

E. M. Shields was over from Mt. Sterling yesterday calling on Jacksonville friends.

BROOKLYN CAPTURES NATIONAL PENNANT

DEFEAT GIANTS WHILE PHILLIES LOSE TWO

Batting and Fielding of Mowrey Feature Victory of New Champs—Bad Fielding Responsible for Loss of Quakers.

Philadelphia, Oct. 3.—The Brooklyn club after one of the hottest fights in major leagues for years today won the National League pennant by virtue of winning its game against New York and Philadelphia's double defeat at Boston hands. The fighting Quakers lost the first game six to three and the second six to one.

The double defeat was a heart breaker for the Phillies. Brooklyn can lose all its remaining games and Philadelphia win all hers and the final standing would still give Brooklyn the pennant by a narrow margin.

The standing of the clubs after today's game is as follows: Brooklyn 93 59 .611842 Philadelphia 90 61 .596026

Philadelphia has two games to play with Boston and the Brooklyn have two left with New York.

The game was a heavy hitting contest. Poor fielding by Pitcher Sherrod Smith at the start gave New York a three run lead. The batting and fielding of Mowrey were features of the victory of the new champions. The score:

Boston 6-6; Philadelphia 3-4

Philadelphia, Oct. 3.—Philadelphia's last chance for the National League pennant this year faded when Boston twice defeated Moran's team today, the scores being six to three and 6 to 1, while Brooklyn was winning from New York. Bad fielding was responsible for the home team's defeat in each game. The score:

MCGRAW DISGUSTED WITH THE PLAYING OF HIS TEAM

Giant Manager Leaves Field in Fifth Inning of Game With Brooklyn—Ebbets Ready to Retire from Baseball.

Brooklyn, N. Y., Oct. 3.—Declaring that he was disgusted with the playing of his team, Manager John J. McGraw, of the New York National League club left the playing field at Ebbets' Field in the fifth inning of today's game between Brooklyn and New York and retired to the clubhouse. He did not appear on the field after that inning.

In a statement after the game, in which Brooklyn clinched the National League pennant, McGraw asserted that altho he did not believe any of the players tried deliberately to favor Brooklyn, they had refused to obey orders and had disregarded rules.

"When Perritt wound up with a man on first base, allowing the runner to steal second, I lost my patience and left the bench," declared the New York leader. "I refused to be connected with playing like that."

After receiving congratulations over Brooklyn's victory, Charles H. Ebbets, president of the club announced that he was ready to retire from baseball whenever a purchaser for his club appeared "with the price." President Ebbets has been connected with the Brooklyn club for 34 years as secretary and president. He declared that as he is 56 years old he has earned a rest and desires to retire. He asserted that the McKeever interests in the Brooklyn club also were for sale.

Manager Wilbert Robinson and his players held a celebration over their victory in the clubhouse after the game. Brooklyn fans have arranged a parade in honor of the team when it departs for Boston Friday.

MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

If Tongue is Coated, Breath Bad, Stomach Sour, Clean Liver and Bowels.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow.

If your little one is out-of-sorts, half sick, isn't resting, eating and acting naturally—look, Mother! Is his tongue coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."—Adv.

ATHLETICS TAKE TWO GAMES FROM BOSTON

PHILADELPHIA HITS RED SOX TWIRLERS FREELY

Foster, Ruth and Mays Lack Effectiveness—Carrigan Asserts Men are Going to Take it Easy—Scouts to Watch Brooklyn's Play.

Boston, Oct. 3.—The Boston Americans closed the season which has brought them another championship with a session today in which the Philadelphia won two games five to three and 7 to 5.

Supposedly tuning up for the world's series, Red Sox pitchers found their offerings freely hit by the lowly Athletics. Foster who had not pitched previously for weeks, was hit hard seven hits for 16 bases being counted against him in four innings. Ruth was almost similarly treated and Mays lacked his usual effectiveness. But Manager Carrigan took the edge off any disappointment Boston supporters might have felt by the following statement:

"The boys are going to take it easy now. We just finished a hard campaign and we're almost into another."

With Brooklyn definitely chosen as the National League representative in the world's series the Red Sox scouting forces will center their attention on Brooklyn's play in the remaining league game with a view to strategic plotting. It was understood tonight that Carrigan, Wagner and Barry would be in New York tomorrow for this purpose.

Braves' Field was further prepared today for the expected great crowds by the stretching of ropes across right field to add 3,000 places, to be available at fifty cents, to the total seating capacity of 42,000. The score:

END AUTOMOBILE RACING WAR
Chicago, Oct. 3.—The automobile racing war in which Chicago and Indianapolis are associations were opposed factions has ended according to a story printed here today. Concessions were made by both sides. It is said, however, that the settling of the date of the Grand American race at the local speedway for Saturday, Oct. 14, at the original date, countermanding a postponement to Sunday, Oct. 15 announced a short time ago. The conclusion of peace will bring six Indianapolis cars to the meet here.

WORLD'S SERIES OPENS AT BOSTON SATURDAY

NATIONAL COMMISSION AIR-RANGES DETAILS

Second Game will be played at Boston Monday and Teams Will Go to Brooklyn for Two Games Tuesday and Wednesday.

New York, Oct. 3.—The Boston American League club and the Brooklyn Nationals will meet in the 1916 world's series, the opening game of which will be played on the Brave's field at Boston next Saturday, Oct. 7. The teams will remain in Boston over Sunday and play the second game of the series there on Monday, Oct. 9, weather permitting, after which they will return to Brooklyn for two games at Ebbets' Field on Tuesday and Wednesday, October 10 and 11. The fifth and sixth games if necessary will be played on Thursday, Oct. 12 and Friday, Oct. 13 at Boston and Brooklyn, respectively. Should a seventh game be necessary to decide the series the location of the contest will be decided by the toss of a coin as in past years.

All these details were arranged at a meeting of the National Baseball Commission in this city this afternoon.

Presidents C. H. Ebbets of the Brooklyn Club and W. F. Baker of the Philadelphia Club of the National League, whose teams are still fighting for the pennant and President J. J. Lannin of the Boston Americans were hurriedly summoned when the commission went into session shortly before noon.

Tentative arrangements already had been made covering the possibilities of either Philadelphia or Brooklyn in the National League being the opponents of the Boston Americans and the schedule of the world's series game was arranged after a short discussion.

President Lannin suggested that the series be opened at the park of the Boston Nationals, where the American leaguers will stage all their games owing to its immense seating capacity, instead of deciding the place of the initial game by the customary toss of a coin. This plan was adopted in view of the fact that either the Brooklyn or Philadelphia clubs would require several days in which to install additional seats and boxes to accommodate the large crowds that will attend the series.

President Baker proposed that the series begin on Monday, Oct. 9, but this was vetoed by the commission as being an unnecessary delay, as was the suggestion that the play start on Friday, Oct. 6, on the grounds that the National League winner required a day or two of rest before being flung into the world's series against the Boston Red Sox, who clinched their league pennant two days ago.

The commission also dismissed the

proposal to alternate the games between the contending cities, but decided that in case more than four games were necessary the fifth and sixth would alternate with the place of the seventh decided by the flipping of a coin. The two American and two National League umpires who will work in the series for a fee of \$1,000 each were named tonight. They are as follows: American League,

FOUR WEEKS
IN HOSPITAL

Mrs. Brown Finally Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Cleveland, Ohio.—"For years I suffered so sometimes it seemed as though I could not stand it any longer. It was all in my lower organs. At times I could hardly walk, for if I stepped on a little stone I would almost faint. One day I did faint and my husband was sent for and the doctor came. I was taken to the hospital and stayed four weeks but when I came home I would faint just the same and had the same pains.

A friend who is a nurse said for me to try Lydia E. Pinkham's Vegetable Compound. I began taking it that very day for I was suffering a great deal. It has already done me more good than the hospital. To anyone who is suffering as I was my advice is to stop in the first drug-store and get a bottle of Lydia E. Pinkham's Vegetable Compound before you go home."—Mrs. W. C. Brown, 1109 Auburn Avenue, Cleveland, Ohio.

Perfection
SMOKELESS
OIL
HEATERS

NEVER smoke—a patented lock flame-spreader automatically prevents the flame from creeping up.

There is no odor—the drum of this heater acts the same as the "Long Blue Chimney"—no dust, no ashes.

Regulator on top of drum sends heat straight up or outward into the room as desired.

Window in front makes it easy to see and regulate flame—no easy-to-break mica in window but substantial fine brass gauze.

The Perfection Smokeless Oil Heater is simple to re-wick; besides a wick with reasonable care lasts a season.

Holds one gallon of kerosene. Indicator shows how much is in the reservoir.

Any good kerosene will give satisfaction, but for best results use Perfection Oil.

Perfection Smokeless Heater is 25 inches high and 12 inches in diameter, finished in polished steel or blue enamel, with trimmings of black Japan or nickel.

Price varies from \$4.00 to \$7.25, according to finish. Look for the triangle trade mark.

Sold by all reliable dealers.

VOLGA MAKES FULL SET OF RECORDS FOR THREE-YEAR-OLD FILLIES

Captures in Straight Heats the Three-Year-Old Division of the Kentucky Futurity.

Lexington, Ky., Oct. 2.—Volga, full sister of Peter Volo, duplicated the latter's achievements in making a new set of records for three-year-old fillies in winning in straight heats, the three year old trotting division of the Kentucky Futurity, valued at \$14,000 and worth \$8,500 to the winner, at the Kentucky Horse Breeders' association meeting here today.

The daughter of Peter the Great and Vervelo Belle trotted the third mile at 2:04, thereby lowering the three year old filly record of 2:05½ made by Mary Putney in winning the futurity last year. In addition Volga trotted the three heats in 2:06½; 2:07 and 2:04½ respectively, establishing a new record for three heats for three year old fillies.

Mary Putney, in winning the first heat of the 2:06½ trot equalled the world's record for four year old mares by trotting the mile in 2:04½. Lee Kxworthy holder of the world's trotting record of two minutes flat for trotting stallions, will try to lower his mark tomorrow.

WHITE HALL

W. H. Holstein will leave Jacksonville in the morning in a decorated Burlington Way car for St. Louis, and will be accompanied by President Weber and Secretary Nesen. At Greenfield the party will be enlarged by H. C. Wilhite and Benjamin J. James. The object of the trip is to fill an appointment with the St. Louis Auto Club to discuss improving the Burlington Way between Alton and St. Louis, and to discuss the proposed extension of the Burlington Way from St. Louis to New Orleans.

Mr. and Mrs. M. R. Gates and son recently spent ten days with Judge Bandy and family at Granite City, and made a tour of St. Louis and the neighboring cities. Judge Bandy is now in the midst of his campaign for re-election to the city court of Granite City. He is a son of Mr. Bandy of this city, and studied law while switching in the railroad yards at Roodhouse.

Twelve cars of apples from Hillview and three from Drake were picked up by one C. & A. train Sunday for Chicago.

Mrs. Louis Sherwin went to Winchester Monday on business.

Louis Lowenstein went to Chicago Monday to spend a couple of days on business.

Mrs. Amy Vertrees came over from Greenfield Monday to spend a couple of days here with friends.

Mrs. C. E. Wells of Jacksonville, came down Monday morning to have some dental work done.

Misses Lou and Pernella Deaton of Jacksonville, were guests of their brother Joseph Deaton, from Thursday until Monday.

T. Z. Davis of Bloomington, psychologist and school specialist gave a fifty-five minute lecture to the high school here Monday morning.

Mr. Davis has probably visited more schools than any other man in the country. He lectures to as many as three schools a day, on "Why Some People Fail in School, Professional and Business Life, While Others Succeed." He also gave lectures at Jerseyville, Carrollton and Roodhouse.

A family dinner and reunion held at the home of Rev. and Mrs. J. T. Green in the west part of the city, Sunday, October 1, reunited the three Bower brothers and the sister for the first time in more than 25 years. The exact time was twenty-five years, one month and five days, at which time a birthday dinner was given at the home of Mr. and Mrs. J. M. Bower at Decatur. Mr. Bower afterward moved to California and now resides at Pasadena, where he is caretaker of the Calvary Baptist church. Others present beside Mrs. Green and F. M. Bower were Mr. and Mrs. G. M. Bower, of Mt. Vernon, South Dakota, and H. C. Bower of Orona, Ill. Mrs. G. M. Bower will be remembered by White Hall people as Mrs. Anna Chinn. A group picture of Mrs. Green and her three brothers was taken Sunday afternoon and then a picture of the entire company which included children and grandchildren of Mrs. Green was taken. A picture was taken of the other dinner party, twenty-five years ago, and that party numbered nearly a hundred guests, but the picture was not very good. J. M. Bower and H. C. Bower went to Alsey, Monday, to visit relatives there and returned to White Hall Tuesday. On Wednesday they left for Orona, Ill. Mr. and Mrs. G. M. Bower expect to go to St. Louis Thursday and from there they will return to their home in South Dakota.

Mrs. Benton Tries Out
the Electric
Iron

She had been ironing for only a few minutes when one of the neighbor women came in for a little chat.

"Oh, so you have an electric iron, Mrs. Benton! When did you get that?"

"Why, I bought it yesterday from the Railway and Light Company. This is the first time I've used it, but I know that it's going to be a wonderful help. Just think—no walking back to the stove every little while for a hot iron. I go right along and never lose a minute from the ironing board. Here it is, nine o'clock, and I'm nearly through. It used to take me all morning and part of the afternoon to finish. Isn't that fine?"

"Well, I should say it is, Mrs. Benton."

"Oh, you haven't any idea how much we appreciate Electric Service," continued Mrs. Benton, "my husband and I only wish our house had been wired long ago, now that we know what it means to us."

(What comes next?—Oh, yes, we have to sweep. Watch for tomorrow's happenings.)
